

Transportation to Practice

2017-2018 Cheer Season

Student name: _____

Please check ALL that apply. Everyone is responsible for arranging transportation to and from practice at the Friendswood Old Jr High each day. The cheer coaches/sponsors will have limited availability in their vehicle to transport girls on a day to day basis. However, written permission must be obtained below.

Practice is scheduled at the old FJH everyday Monday through Friday. The All Star Revolution Gym provides cheer coaches for Friendswood High School and are the official training gym for the FHS cheer program. It is possible on occasion that the girls will attend a practice at All Star Revolutions' Gym instead of the FJH gym. Your child will be notified in advance, when possible, of any variations in the schedule.

Please check all that apply (you may check more than one box):

I give my child permission to:

- _____ Practice at the old Jr. High or ASR gym during the normal Cheer team practice time (the start of 7th period school day until the completion of practice)
- _____ To drive from Friendswood High School to the Old FJH or ASR gym in her personal vehicle. I realize she will leave FHS at the start of 7th period Monday-Friday. In addition, I give her permission to drive home from practice.
- _____ To transport other teammates to and/or from cheer practice at the Old Jr High and ASR gym.
- _____ I will allow my child to ride with another licensed teammate to and from the Old Jr. High or ASR gym.
- _____ I will transport my child each day from FHS to the old Jr High or to the ASR gym.
- _____ I require my daughter to ride with one of the Cheer Coaches (Mrs. Yee or Mrs. Stryk) and hereby give said coaches (as listed above) permission to transport my daughter from FHS to the Old Jr High or to ASR gym in their personal vehicle.
- _____ I understand that my daughter will need to be picked up from the Old JR High or the ASR gym Monday through Friday at the end of practice in a timely manner.

Unsafe driving and unnecessary "pit stops" are forbidden and will be dealt with by one of the designated cheer coaches. Everyone is required to leave school in a timely manner and go straight to their practice location.

All drivers are required to **provide a copy of their TDL and ins. via text to Kathryn Thompson 281-543-8216**

I hereby release and hold harmless the Friendswood Independent School District, its Trustees, employees, and agents from any and all liability in connection with the alternate method of travel for cheer practice.
