AWAY GAME DINNERS

If you would like a meal delivered to the cheer shack after 7th period on away- game days, please mark your selections and turn this form in by Tuesday, October 2nd.

Meals are range from \$7-\$10 and will include a water bottle. The meals you choose will be billed to your cheer account. You are welcome to make your selection for all three away- game meals, your selected away-game meals, or you may opt not to participate. If you choose to not participate, we ask you return the form indicating your choice.

This is offered for convenience and is not mandatory. On the away-games listed, coaches are asking the girls to stay and get dressed at the cheer shack and to not leave. The girls can have someone bring food to the shack if you prefer.

Sincerely,

The Social Committee
